L-EAD - Leveraging e-health workforce by advanced skills

L-EAD Summer School 

Be part of the digital boom in healthcare!

Application deadline:
19 May

Brief Description: L-ead Summer School focusses on strengthening e-skills and leveraging the digital health workforce by using innovative mixed education methods like interactive group works, case studies and a digital health challenge.

Learners: Master Students, PhD Students, Researchers, Caregivers, Health Care Professionals, Clinicians, Educators, Hospital staff

Registration: summerschool.eithealth.eu/registration

Website: <https://emk.semmelweis.hu/eithealth/>

Location: Barcelona and Budapest

Time: first block 8-12 July; second block: 15-19 July 2019

Application deadline: 19 May

Format: case studies learning, teamwork, F2F training

We educate.

FELLOWSHIP NETWORK

Brief Description: The EIT Health Fellowships Network presents a unique learning experience for participants through three different programmes. **Innovation Fellowships:** Intensive programmes, including clinical immersion, for transdisciplinary teams of experts developing entrepreneurial and intrapreneurial solutions. **StarShip:** Students and professionals develop business plans based on challenges provided by members of the healthcare industry. **PhD Transition Fellowships:** A competition that enables PhD students to evaluate the market need behind their research idea.

Learners: Master and PhD students, researchers, innovators in the field of healthcare, life sciences and engineering

Registration: Until March 10th, 2019 by sending a CV to starship@eithealth.eu; Until June 9th, through <https://phdtfellowships.eithealth.eu/>

Website: <https://www.starship.eithealth.eu/>; <http://phdtranslational.eu/>

Location: Budapest, Barcelona, Stockholm, Coimbra

Time: 22 March – 6 November

Fee: FREE + T&A support is given (EUR 5 500)

Format: Case studies, training, workshops

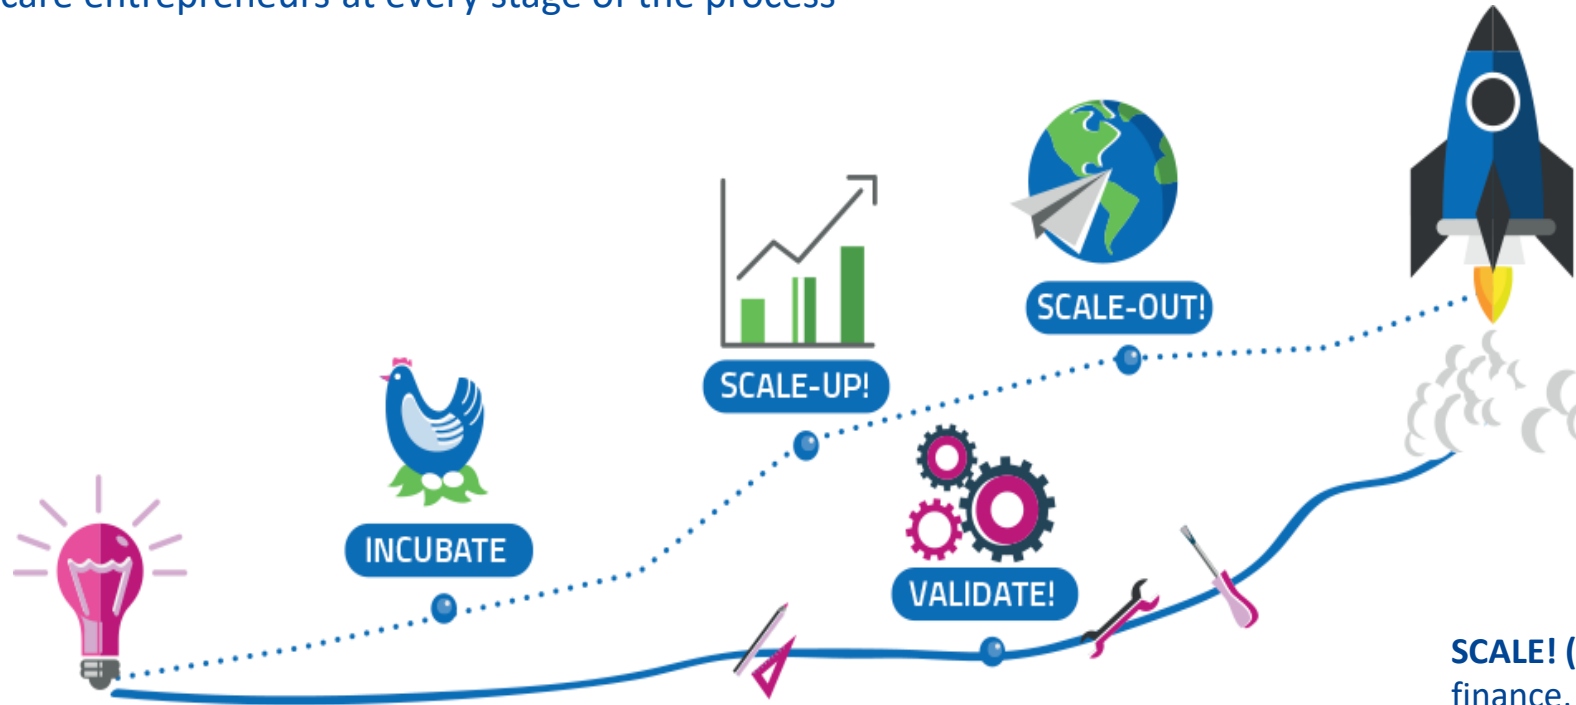

We educate.

ACCELERATOR OPPORTUNITIES

EIT Health ACCELERATOR

Supporting healthcare entrepreneurs at every stage of the process

INCUBATE! push forward innovative business ideas

VALIDATE! Access to data, funding, experts and open innovation ecosystems from our International Partners

SCALE! (UP AND OUT!) Access to finance, benefit from a strong International network and reach out to new markets

ACCELERATOR OVERVIEW

[I am at the idea/project stage]

INCUBATE!

Pushing forward innovative business ideas:

Jumpstart

Innostars Awards

Bootcamp intensive programmes

Venture Lab programme

CaixaImpulse

FOR WHOM:

Early entrepreneurs, scientists wanting to develop start-ups or receive innovation training and assistance.

[I have a product/service ready to be tested]

VALIDATE!

Validating the commercial viability:

Living Labs & Test Beds Network

Mentoring & Coaching Network

Headstart Funding

FOR WHOM:

Start-ups looking to:

- validate products and services.
- understand local/regional regulatory and reimbursement schemes.
- have access to market experts.

[I am ready to grow]

SCALE!

Facilitating access to finance:

European Health Catapult

Investors Network

Equity-Crowdfunding Platform

Facilitating market expansion:

Bridgehead – Incubator Network

GoGlobal Programme

Gold Track

FOR WHOM:

These activities focus on more mature start-ups and SMEs, to facilitate access to tools and networks for financing and market expansion

MEET OXIPIT

- Took part and **won InnoStars Awards** program in 2018
- Launched ChestEye AI Imaging Suite
- Received **1.7 M € fund in 2019**

Go outside the lab:
how to develop
a start-up idea

Jogundas Armaitis, PhD
Cofounder & COO @ oxipit.ai
EIT Health InnoStars Awards
2018 Winner

 EIT Health

 EIT Health is supported by the EIT,
a body of the European Union

Weekly open line for Q&A
[from 1 February to 22 March]
Friday from 10:00 AM to 11:00 AM CET
Chat Room: <https://zoom.us/j/171295695>

1300+ members

The EIT Health Alumni Network is a multidisciplinary community of innovators building the future of healthcare – **by Alumni, for Alumni.**

This is your opportunity to take the reins. Are you ready to shape the healthcare landscape and step up innovation in Europe with us?

- ✓ Participate in trainings of your choice
- ✓ Win free tickets to the main health summits in Europe
- ✓ Join Slack groups on topics of your interest
- ✓ Become a coach for fellow Alumni
- ✓ Receive exclusive job and internship opportunities from EIT Health Partners
- ✓ Design your own event in international teams

The EIT Health Alumni Board

Opportunities for the Alumni

First half of 2019 (examples):

- CE-Mark Workshop *Survival in Death Valley* and free tickets to MedTec Nürnberg, May
- Free tickets to Tech Open Air Berlin, July
- Alumni Market Access Workshop@Medbaltica Conference Riga, September

Currently open:

- Call for EIT Health Alumni Summit, 1 December, Paris:
<http://bit.ly/EITHAlumniSummit2019>.
- Call for Intellectual Property Training, 5-7 November, Ghent:

<http://bit.ly/PopUpIncubator>

Bottom-up is Queen!

Do you want to suggest an idea or create an event for EIT Health Alumni?

- Send your proposal to alumni@eithealth.eu

Get inspired!

<https://vimeo.com/228785549>

Register now!

Thank you.
